SCHOOL MEALS UPDATE

Dear Parent

19/8/20

Our school meals kitchen is currently undergoing refurbishment and will be out of action for the next 15 weeks. Mrs Wallace, our cook is preparing our meals at Coleraine College and they will be transported to school for lunchtime.

Because of this, the fact that our dinner hall is being used as a classroom, and due to the constraints of Covid 19, we will be providing a reduced menu until further notice. School dinners will be delivered to the classroom in a disposable paper bag. The meal will consist of a variety of easily transported items such as sandwiches, wraps, paninis, hotdog/ burgers etc and will include a drink, fruit and a dessert item. School meals will be available only for pupils in receipt of free school meals from Tuesday 1st to Friday 4th September. Thereafter, all pupils may order school meals.

Break will be prepared in school and will consist of scones, pancakes, toasted muffins or bagels etc plus fruit pots. This will again be delivered to the classroom at break time.

To facilitate preparation of food off site, we intend to send home a break and lunch slip in your child's communication folder each Thursday. A menu will be attached to this order form. These orders should be sent into school on the Friday morning with payment for the whole of the following week. The kitchen staff can then order and prepare the correct amount of food. This also reduces the frequency of payments being sent in.

Yours sincerely

Donna Winters

Donna Winters (Principal)
