Dear Parent/Guardian

**Principal**  
Mr. D.N. Mornin  
B.Sc.(Hons), P.G.C.E., P.Q.H.N.I.

Firstly, thank you for considering our school for the future education of your child. The past two years have been very stressful for our young people who have been making the transition from Primary to Post-Primary. I want to assure you that we have your child's wellbeing at the heart of our planning and will ensure that we support you and your child to make an informed decision and reduce any concerns or worries that may exist as they progress to 'big school'.

Unfortunately, due to the ongoing impact of COVID-19 we are again unable to hold our annual Open Night this year. The Department of Education contacted all schools recently and have strongly encouraged schools to take a 'cautious approach to the resumption of indoor gatherings'. They therefore recommend that schools 'proceed with alternative options where possible'. This being the case we have decided to hold a virtual event again this year on **Wednesday 19 January 2022 beginning at 7pm**. We have decided to hold by appointment only, familiarisation visits on **Saturday 22 January 2022**, from 10am – 4pm, for prospective pupils and their immediate families. To book an appointment please scan the Expression of Interest Form QR code below or click on the link.

It has always been a pleasure to welcome so many prospective pupils and their families to the school during our Open Night. This has always been a special night in the school's calendar and one that has been very popular over the past number of years with huge numbers attending to gain an insight into what makes Limavady High School such a special place to be educated. You and your child would have seen and experienced first-hand, our excellent facilities and watch our pupils take part in a range of different academic and sporting activities. Feedback has always been very positive with comments made about our welcoming atmosphere, the positive relationships between staff and pupils, the care and welfare of our pupils, how we develop their confidence, the outstanding outcomes and of course the much talked about family ethos which has served many generations of local families.

The challenge we now face is how do we provide as much information as possible to you and your child(ren) so that you can get a flavour of the wonderful school we are very proud of. I have included two QR codes in this letter, one of which will take you to an expression of interest form which will get you exclusive access to lots of useful information about our school and a pre-release viewing of our videos. The second QR code will take you directly to our Wolfhound magazine which will give you an insight into the activities of last year.

Although it is impossible to virtually recreate the unique atmosphere which makes Limavady High School so special, we hope the information given here will help you in your choice of school.

If you have any questions, please do not hesitate in contacting the school.

I hope that you and your family continue to be safe and well.

Yours sincerely
