Principal: Mrs D Winters

Dear Parent,

Many thanks to the 31 parents who responded to the recent 'Coaching in School Questionnaire'. This is out of 144 families in school so 22% of school families.

Findings are as follows:

- 61% of parents who took part felt that Spanish tuition for P5-7 pupils was beneficial and 58% were willing to pay £10 for a term of tuition.
- 45% of parents who took part felt tennis was beneficial and 52% were willing to pay £10 for a term of tuition.
- 90% of parents who took part felt that multi-sports coaching was beneficial and 68% were willing to pay £10 for a term of tuition.
- 61% of parents who took part wanted 2 terms of coaching per year.
- 32% of those who took part were not willing to contribute money towards coaching.

From these responses we have decided to alter coaching provision for next year.

P1-4 pupils will have 1 term tennis coaching and 1 term Multisports Coaching.

P5-7 pupils 1 term Spanish Tuition and 1 term Multisports Coaching.

Parents will be asked to contribute £10 per term towards the 2 terms of coaching that their child is benefiting from.

Should other funding streams become available then school will cover the cost of extra coaching sessions for a 3rd term for each child.

Kind regards

Mrs Donna Winters

Principal
