## SCHOOL PROVISION FOR WEEK BEGINNING 14<sup>TH</sup> DECEMBER

Dear Parent,

10th December 2020

The Department of Education confirmed on Monday 7<sup>th</sup> December that there is to be no change to the plan to keep schools open until the 18<sup>th</sup> December. Our minister for Education has stated that there is no substitute for face-to face learning and we fully concur with that.

To this end, the Board of Governors of Hezlett Primary School met yesterday evening to consider school provision for next week and accepted the Department's requirement that school remain open for all pupils until 12.00 noon on Friday 18<sup>th</sup> December as planned.

That said, we are acutely aware of the situation that Covid 19 has presented in our school and wider community and a number of school families may be concerned about sending their children to school next week.

**For those pupils still in school**, fill in the slip below and return to school on Friday 11<sup>th</sup> December to indicate to staff if your child needs support through 'Blended Learning'. School staff will provide a selection of class activities as a work pack to be sent home on Friday, or which you can collect from school.

**If your child is currently self-isolating**, we hope to see them back in school at the end of their isolation period. Please email me on [dwinters565@c2kni.net](mailto:dwinters565@c2kni.net) to indicate whether you need us to provide 'Blended Learning' for your child or if they will return to class next week.

A selection of fun Christmas activities will also be uploaded to the whole school section of the Home Learning Portal for all children to access from Monday 14<sup>th</sup> December and over the Christmas period.

Yours sincerely

*Donna Winters*
