Dear Parent

31/12/20

As you know, primary schools in Northern Ireland will not now reopen until Monday 11th January 2021. My apologies for the disruption that this late decision by DE will cause to your family.

We had planned to reopen on Monday 4th, but the first day back for each school has now been earmarked for staff preparation of online learning and planning for accommodation of Keyworker children and statemented children from Tuesday 5th January.

Staff will work on Monday to organise resources for online learning. These will be uploaded to the school website and paper copies will also be available for collection by parents from the morning of Tuesday 5th January, should that be an easier option for you.

Staff will upload guidance for the day each morning through the home learning portal of the website, and every class will have a zoom lesson or recorded video lesson, Tuesday to Friday. Completed work should be uploaded for marking and comment.

Parents of statemented pupils should email me on [dwinters565@c2kni.net](mailto:d winters565@c2kni.net) to inform me as to whether you wish your child to attend school Tuesday to Friday next week. Parents who are keyworkers should check the Key Worker Application form below this letter and forward the necessary information to enable us to make preparations for supervision of pupils who need to be in school.

I hope that, despite last minute changes of plan, you all had a lovely Christmas, and look forward to welcoming all our pupils back into the school building on 11th January.

Yours sincerely

Donna Winters
