

Dear Parent/Guardian

Please find attached information relating to our Open Night which will be held virtually on Monday 15th February 2021, via our school [website](#) (click for link).

On the Open Night section of our website you will be able to access a series of videos which will give you a flavour of life in Limavady Grammar School. Your child will be able to watch the videos and take part in an online competition to win a range of prizes.

There will also be a link to our school prospectus which contains important information relating to the School.

This year the admissions procedure to apply for a post primary school of your choice will be online. The Education Authority admissions portal will open on 1st March 2021. A help sheet will be available on our website to assist you with your application for Limavady Grammar School should you choose to select us as the school for your child. Please note the admissions criteria for Year 8 entry to Limavady Grammar will be published online on 2nd February 2021.

In the lead up to our online event, please follow us on Facebook and Twitter to keep up to date with what is happening.

This has been an incredibly difficult time for us all over the past months. I wish you well in the next few weeks as you select a school which meets the needs, talents and aspirations of your child. If you have any questions about Limavady Grammar, please feel free to contact the School.

Kind regards

NJ Madden

(Principal)
Limavady Grammar School
